

ArmHiTec – 2018

International Exhibition of Arms and Defence Technologies ArmHiTec has been held since 2016. The organizers of the exhibition are: the Ministry of Defence of the Republic of Armenia, PLC 'Yerevan Plant of Mathematical Machines' and PLC 'Exhibition Companies Group 'BIZON'.

In 2018 the exhibition will be held in the 'YerevanExpo' exhibition complex on March 29-31.

The exhibition is set up as a number of exposition and business events aimed at a wide-scale demonstration to potential customers of the high-tech, innovative developments and ready solutions in the area of present-day weaponry, military equipment and technologies as well as in the sphere of providing the Armed Forces of the Republic of Armenia with appropriate material resources, products and services of general purpose.

In line with the decision of the Federal Service on Military and Technical Cooperation, in 2018 Rosoboronexport is defined as the organizer of the unified Russian exhibit at ArmHiTec. It will be participated by 14 enterprises of the Russian defence-industrial complex.
