

Africa Aerospace&Defence – 2018

Africa Aerospace&Defence is the premier international tri-service conference and exhibition on the African continent focusing on the demonstration of cutting-edge aerospace and other defence equipment and technologies.

The exhibition has been held biennially since 1992. Africa Aerospace&Defence 2018 will run from 19 to 23 September 2018 at the Waterkloof Centurion Air Force Base (Pretoria, RSA).

The year of 2018 will mark the 10th time Russia has participated in the exhibition. FSMTC of Russia has decreed that responsibility for the organization of the Russia's joint display at the exhibition should be vested in Rosoboronexport.
