

## Rosoboronexport invited over 80 foreign delegations to Interpolitex 2018

Rosoboronexport JSC (part of the Rostec State Corporation) takes part in the 22th International State Security Exhibition, Interpolitex 2018, which will be held from 23 to 26 October at the VDNKh All-Russian Exhibition Center in Moscow.

During Interpolitex 2018, Rosoboronexport will undertake aggressive marketing efforts to promote the entire range of security products for security agencies and private partners of foreign countries. The Company has invited over 80 delegations from more than 60 countries of the world to the exhibition.

“Promotion of state and infrastructure security tools and services to the world market has been chosen as one of the drivers of achieving Rosoboronexport’s strategic objectives. An unprecedented rise in terrorist and extremist threats in almost all regions of the world reinforces the urgency of this area of activities. The Russian industry has a high level of competence in these matters, while the practicality and a wide range of use of weapons, military and special equipment produced in our country have been repeatedly proved in actual combat conditions,” said Rosoboronexport’s Director General Alexander Mikheev.

The exhibition is held in three halls of Pavilion No. 75 and in an open area totaling over 25,000 square meters. Rosoboronexport’s exhibit display is at Stand 1D1-1 located in hall “A.” It comprises more than 100 models of weapons and military equipment developed and produced by Russian defense enterprises. At the Company’s stand, you can test your skills in shooting the Kalashnikov MMG-AK-101 assault rifle and MP-446 Viking self-loading pistol mockups on the SKAT small arms trainer.

At Interpolitex 2018, Rosoboronexport also showcases a wide range of means of ensuring law and order, combating terrorism, protecting high-priority and critical infrastructure facilities, extended borders, as well as anti-UAV systems, electronic warfare capabilities and confidential communication facilities.

Equipment offered by Rosoboronexport for the armed forces and special units for combating terrorism and organized crime will be present at a static display. It is very popular in many regions of the world and includes the KAMAZ-53949 mine-resistant vehicle of the Typhoon-K family, the Tigr special wheeled armored vehicle, and also special vehicles on the Ural chassis.

---

[Rosoboronexport](#) is the only state-owned arms trade company in the Russian Federation authorized to export the full range of military and dual-purpose products, technologies and services. It is a subsidiary of the Rostec Corporation. Founded on 4 November, 2000, now Rosoboronexport is one of the leading world arms exporters to

the international market. Its share in Russia's military exports exceeds 85 percent. Rosoboronexport cooperates with more than 700 enterprises and organizations in the Russian defence industrial complex. Russia maintains military technical cooperation with more than 100 countries around the world.

Rostec State Corporation is a Russian corporation that was established in 2007 to facilitate the development, production and export of high-tech industrial products designed for civilian and military applications. The Corporation comprises over 700 organizations that are currently part of 11 holding companies operating in the military-industrial complex and 3 holding companies working in civilian industry, as well as 80 directly managed organizations. Rostec's portfolio includes well-known brands such as AVTOVAZ, KAMAZ, Kalashnikov Concern, Russian Helicopters, VSMPO AVISMA, UralVagonZavod, etc. Rostec companies are located in 60 constituent entities of the Russian Federation and supply products to more than 70 countries.
