

Vepr SOK-95-02

SOK-95 is based on a manual Kalashnikov machine gun and is designed for commercial and amateur hunting of average and large animals.

The trigger mechanism provides for single shots and locks the weapon with a safety catch.

The advanced gas-conducting node and reinforced locking assembly ensure high accuracy and precision shooting. The forearm and the orthopedic stock with a rubber backplate are made of walnut wood. The weapon is reloaded with a detachable magazine. The barrel has rifling for muzzle devices.

Main characteristics:

- Round type: .308Win
- Overall length, mm: 935
- Barrel length, mm: 420
- Empty weight, kg: 3,8
- Magazine capacity, rounds: 5,10
