## 6P68 KORD Assault Rifle

### Balance is Your Key to Accuracy

The new 6P68 KORD assault rifle is a comprehensive approach to small arms design as it successfully merges cutting-edge and time-tested solutions.

- ▶ Balanced-action mechanics for proper accuracy especially in automatic mode and tamed recoil.
- ▶ Light, high-strength and resistant materials for higher reliability and lower weight.
- ▶ Ergonomic ambidextrous fire-controls for versatility.
- ▶ Compatibility with standard AK magazines and 7.62mm ammunition for your flexibility in the battlefield and at the range.

#### Main characteristics:

- Caliber: 7.62mm
- Ammunition: 7.62x39mm
- Empty weight: 3.5 kg
- Sighting range: 800 m
- Magazine: 30 rds
