

The 2014 Ice Hockey World Cup will be on display in Rosoboronexport's exposition during Interpolitex 2014

The 2014 Ice Hockey World Cup will be on display in Rosoboronexport's exposition (VDNKh Exhibition Center, Pavilion 75, Hall B, Booth 2B1) on the opening day of the 18th International Exhibition of Means of State Security Provision, Interpolitex 2014. The exhibition will be held on October 21-24 in Moscow.

Rosoboronexport, part of the Rostec State Corporation, has been a sponsor of the Russian Ice Hockey Federation for many years. The display is part of a demonstration tour of the prestigious sports trophy across the cities of the country. The 2014 Ice Hockey World Cup was won by the Russian team at the 2014 World Ice Hockey Championship in Minsk.

“Rosoboronexport is the Official Partner of the Russian Hockey Federation and the Official Partner of the Russian men's national ice hockey team, - said Rosoboronexport General Director Anatoly Isaykin. - We are pleased that our investments in infrastructure development, holding children and youth tournaments, and the preparation of the national team have contributed to the Russian hockey team's victory at the World Championship in Minsk.”

At Rosoboronexport's booth, each visitor can not only see the sports trophy, but also make a personal photo on its background.

JSC Rosoboronexport, part of the Rostec State Corporation, is Russia's sole state intermediary agency responsible for import/export of the full range of defense and dual-use products, technologies and services. The company ranks among the leaders in the global arms market. It accounts for over 80% of Russian arms exports. Rosoboronexport cooperates with more than 700 enterprises and organizations of Russia's defense industrial complex. It maintains military-technical cooperation between Russia and more than 70 countries. In 2013 Rosoboronexport delivered weapons and equipment worth of \$13.2 bln to the customers. Currently the order portfolio of Rosoboronexport accounts to about \$38 bln.

Rostec State Corporation is the Russian corporation established in 2007 to promote the development, production and export of high-technology industrial civil and military goods. It comprises about 700 enterprises which currently form 9 holdings in the defense industrial complex and 5 holdings in civil industries. Rostec's enterprises are located in 60 regions of Russia and serve the markets of over 70 countries. In 2013, its revenue was 1.04 trillion rubles, net profit – 40 billion rubles and tax payments to the budgets of all levels exceeded 138 billion rubles.

The Russian Hockey Federation (RHF) is an all-Russian public association established to develop and promote hockey in the Russian Federation, increase its role in comprehensive and harmonious personality development, strengthen health, and promote a healthy lifestyle. RHF is a member of the International Ice Hockey Federation (IIHF) and represents Russian hockey's interests in international hockey organizations.
